

Nova Net

What is Nova Net?

Nova Net is a credit recovery system put in place by the Polk County School District to allow students who have previously failed a course. This is a wonderful opportunity for students to recover credit on the computer during the regular school day.

How to apply?

1. A student must have previously failed a course.
2. The student must have room in his/her schedule. Usually an elective course is taken away so the student will be able to register for Nova Net. Nova Net is also offered after school from 2:30- 5:00 in the Compass Lap.
3. Student must contact guidance counselor to discuss course of interest and space availability.
4. Student must complete an application and submit for approval by guidance counselor. Student will be placed in the Nova Net class.

Courses offered:

<u>Math</u>	<u>English</u>	<u>Science</u>	<u>History</u>
Algebra 1	English 1	Physical Science	Government
Algebra 1A	English 2	Earth Space	World History
Algebra 1B	English 3	Chemistry	Amer. History
Geometry	English 4	Biology	Economics
Algebra 2			

FLVS

What is FLVS?

FLVS is Florida Virtual School. FLVS allows students the opportunity to take online courses for credit. These credits can be used in addition to or to replace an existing course in which a D or F was received. FLVS offers a wide variety of courses across all disciplines ranging from 6th -12th grades.

How to enroll?

1. Go to the www.flvs.net
2. Complete the student registration
3. Choose FLVS
4. Enter all information for student, parent/guardian and school.
5. Print enrollment verification form along with parent consent to submit to your guidance counselor.
6. Guidance counselor will review course request.
7. Guidance counselor will submit course approval to the FLVS office.
8. Student will be contacted by FLVS instructor once course has been assigned.
