

Dear Parents/Guardians-

Haines City High School has tutoring sessions available for your child. Math tutoring is available on Mondays and Wednesdays from 2:30-3:30. English/Reading tutoring is available on Tuesdays and Thursdays from 2:30-3:30.

Facts about the program:

- **Math** assistance is available for Intensified Algebra I, Algebra I, Liberal Arts Math, Algebra II, and Geometry. Students should bring assignments from their math class to work on during these sessions.
- **English/Reading** tutoring offers students a chance to receive help with homework, edit and revise papers and prepare for tests such as the ACT/SAT and state required exams.
- Transportation will **NOT** be provided.
- Parents will need to sign the permission slip below and return it to Ms. Rios at the Student Services desk in the main office.
- Students do **NOT** have to come to every session in order to receive assistance.
- Students must be willing to put forth their best effort and take this learning opportunity seriously.

If you have any questions about this extended learning opportunity, please feel free to call me at (863) 421-3281 ext. 291.

We hope your child will take advantage of this opportunity.

Sincerely,

Christina Rios
Assistant Principal II
Haines City High School
