## HCHS Visual Arts

## 2D Studio Art I, II & AP 2D

- 9<sup>th</sup> – 2D I
- 10<sup>th</sup> – 2D I or II
- 11<sup>th</sup> – 2D I or II or AP 2D
- 12<sup>th</sup> – 2D II or AP 2D

In the 2D Studio Art track you will learn techniques in drawing, painting, printmaking, & collage. You will learn how to use all sorts of media (graphite, chalk, pastel, charcoal, watercolor, spray paint, block printing, pen & ink, and acrylic paint), and will learn all about the formal elements of art.

Course Selections:

2D Studio Art I: 0101300  
 2D Studio Art II: 0101310  
 AP Studio/2D: 0109350

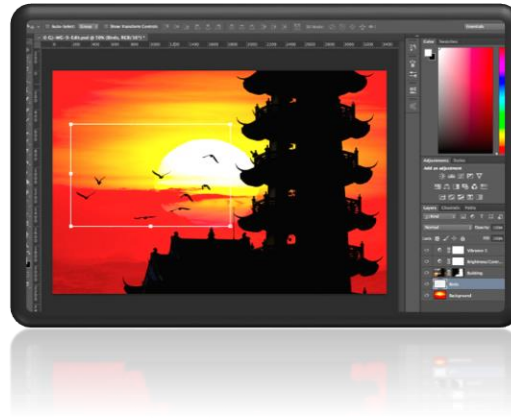

Digital Art Imaging I: 0108370  
 Digital Art Imaging II: 0108380

Ceramics I: 0102300  
 Ceramics II: 0102310  
 AP Studio/ 3D: 0109360

## Digital Art Imaging I & II

- 9<sup>th</sup> – Digital Imaging I
- 10<sup>th</sup> – Digital Imaging I or II
- 11<sup>th</sup> – Digital Imaging I or II
- 12<sup>th</sup> – Digital Imaging II

Digital Art Imaging will give you the experience with integrating technology and creativity. You will use software such as Adobe Photoshop and InDesign, and more along. Explore how to manipulate imagery into your own creation.

Notice:

*Please be aware that each class will have a supply fee. These fees are used to supplement materials for all students to use for their artwork. Unpaid fees are reported as an obligation before a student may graduate.*

## Ceramics I, II & AP 3D

- 9<sup>th</sup> – Ceramics I
- 10<sup>th</sup> – Ceramics I or II
- 11<sup>th</sup> – Ceramics I or II or AP 3D
- 12<sup>th</sup> – Ceramics II or AP 3D

Don't be shy! Get messy with clay! Here you will learn pottery and sculpture techniques to strengthen your craftsmanship and creativity. As you advance in this track, we will analyze 3D form critically while taking inspiration from ancient techniques and contemporary ideas.
