How do I find my student username/password/email address?

Students returning to Haines City High School or coming from another public school in Polk County already have this information. Usernames, passwords, and email addresses have not changed. Students who are new to the district or who have forgotten their information must be given their login credentials in order to access Student Portal, ClassLink, and Polk County Public Schools email address.

- Students attending school in the Campus setting will be given their username and password on the first day of school by their teachers. You may also call Haines City High School to obtain this information.
- Students attending school in the E-School setting will need to access their Polk County Public Schools email address prior to the first day of school. Please also log on to Student Portal and access ClassLink prior to the first day of school.
 - If you are a new PCPS student or do not remember your username and password, please call Haines City High School to obtain this information.
- Parents and/or students who call to obtain login credentials will be required to provide identifying information prior to receiving usernames and passwords.
